

Aboriginal Heritage Office

Community, Primary, Secondary & Tertiary Schools Aboriginal Education Program

The northern Sydney area has a rich Aboriginal history and heritage. The Aboriginal Heritage Office provides multi-media presentations and guided walks and talks to give the Community and students, from Year 3 through to tertiary & onwards, the opportunity to learn more about their shared local history and environment.

The activities highlight the traditional Aboriginal life of the Sydney region and look at the past, present and future.

The program is **FREE** to our 6 Councils; Ku-ring-gai, Lane Cove, North Sydney, Northern Beaches, Strathfield & Willoughby.

Sessions are limited! If you would like to participate in this program, please contact the Aboriginal Heritage Office.
